and Chairperson,
NIIFT

Chairperson, NIIFT, Mohali

A feeling of huge contentment and pride encompasses me, when I Look upon Northern Indian Institute of Fashion Technology (NIIFT), having emerged as a leading and reputed Institute of Fashion, developing professionals in the field of Design, Management & Technology.

With its mission firmly in place, NIIFT embarked on an ambitious agenda of, furthering its efforts to become the leading source of Fashion and Marketing education and give society budding designers and garment technologists as well as fashion marketing professionals.

NIIFT, Strives to attract best of students across the globe. We have built an institution with the best of faculty, students and employees. The best of corporate support, and management is also available. We are dedicated to building a pleasant atmosphere in which coexistence is essential to create an intellectual academic community. In order to achive this objective we have created infrastructure with State of the Art facilities.

Positioned as a multi-disciplinary institute, we create " Industry ready professionals" , both for export and domestic industries as there are huge opportunities emerging for the students to chart

exciting careers. Export Houses which are all scaling up operations across the world are also heartily contributing their expertise to the institute. The keen interest of leading International Institutes to collaborate with NIIFT goes far to prove that NIIFT has emerged as a front runner Institute in the field of Fashion.

I, therefore, invite young and talented students to join NIIFT for exciting career options in the Fashion Industry. I am confident that our highly dedicated and motivated team will stand up to its commitments to nurture and nourish the young creative minds and help them realize their dreams and aspirations.

We are devoted to make NIIFT, a place to promote freedom of thought, innovation and creativity which are essential for academic excellence.

Foreword

NIIFT has emerged as a premier Institute of Northern India in the field of Fashion & Apparel Design, Management and Garment Manufacturing Technology. Fashion education has a special contribution to make in the process of transition from tradition to modernity. Today, "Fashion Design" has captured the imagination of campuses and households worldwide. I am happy to see the evolution of NIIFT in its new multi faceted and multi dimensional Avatar aptly reflected in the past 20 years. As a premier Institute providing quality education and consultancy across Design, Management and Technology, NIIFT has effectively contributed in enhancing the core competence in the apparel sector of the country and abroad. NIIFT perhaps is the only Institute in Punjab and this region, which can proudly claim to have built a strong Design sector Industry interface. It is thus in the truest sense playing a catalytic role in transforming the outlook of the Fashion Industry, fully conscious of the core strengths around which the Indian fashion industry is evolving. Various initiatives by NIIFT and its graduates have addressed concerns pertaining to design, product development, techniques and skill up gradation.

NIIFT is continuing to fulfill its objective of bridging the gap between the requirements and availability of trained professionals in the Fashion Industry. It is the perfect platform which offers the stepping stone to the graduating students towards becoming the trendsetting designers, brand builders and Fashion-technical Consultants of tomorrow. NIIFT has played a vital role in bringing more professionalism in the textile and clothing industry and has also attracted the best talent in this sector.

I am delighted to be heading an Institute which has such great potential in terms of Creativity, Research Development & Consultancy in the Fashion Design, Management & Technology Sector both at the national and international level.

Introduction

The Textile and Garment industry is one of the largest and most prominent sectors of Indian economy, in terms of output, foreign exchange earnings and employment generation. This Industry contributes around 6% of GDP and accounts for almost one third of India's total exports, thereby making It a single largest group of commodities in the country's export basket. Indian garment industry has a wide regional dispersal where over 90,000 units employing more than 10 lakh persons are engaged in the garment manufacturing activities, which account for 18% of its total work force.

It has been estimated that India, has approximately, 30,000 readymade garment manufacturing units and not only is the garment export business growing, enthusiasm in the minds of foreign buyers is also at a high. Today many leading fashion labels are being associated with Indian products. India is increasingly being looked upon as a major supplier of high quality fashion apparels and Indian apparels are well appreciated in major markets internationally.

The rise of exports in India is due to several factors like vast sources of raw material, low labour cost, entrepreneurship and design skills of Indian traders and changes in policies to open up Indian economy to outside world.

NIIFT MOHALI

The Department of Industries & Commerce, Govt. of Punjab, established Northern India Institute of Fashion Technology, in 1995, comprehending and visualizing the need of trained professionals in the arena of Fashion Textile and Garment Industry. In 2012 NIIFT got affiliated with Punjab Technical University, Kapurthala for providing degrees to students, steering and supporting in admission procedure, faculty recruitment and training as well as curriculum scheduling and upgrading.

Mohali, equipped with the conspicuously fast developing and already established garment industry situated at Baddi, Lalru, Dera Bassi in the vicinity of Chandigarh, became a preferred location for NIIFT to have its firm base and thus adding to the prestige and distinction of the famous city.

NIIFT CENTRE - LUDHIANA

Ludhiana, apart from being a significant textile cluster, is at its fruition in the production of hosiery, knitwear and readymade garments. To move into the global main stream of intense economic competition and reckoning with requirements of India's fashion industry in totality and Ludhiana industry particularly, NIIFT, in August 2008, achieved another milestone, by opening a new centre at Ludhiana. Since then, NIIFT, Ludhiana has emerged as a premier institute and strives to impart knowledge comparable with international standards.

Objectives

- To build and nurture a new generation of professionals and designers who can spearhead positive changes in the future by helping the Indian Fashion and Garment Industry achieve and sustain global leadership.
- To provide expertise to industry, this is rather instrumental in the context of our national aim of strengthening its potential of generating foreign exchange earnings and employment.
- To award degrees, diplomas and certificates and other distinctions at various levels to the candidates trained and to prescribe standards of proficiency before such awards.
- To undertake selected applied research studies and applications thereof in areas of Textiles, Fashion and Garment Industries; particularly concerning the integration of regionally produced material in the requirement of mass production, improved product design and international marketing.

Teaching Methodology

Upholding the commitment to excellence, NIIFT provides an excellent learning environment to broaden the mental horizons of its students leading to overall development of their personality. The system consists of classroom lectures, group discussions, case studies, projects and surveys, seminars, assignments, presentations and practical demonstrations in simulated industry conditions. These prepare the students to accept the challenges posed by the industry and also improve their decision-making and communication skills.

Evaluation System

Throughout the semester the performance of the students is assessed on the basis of regular assignments, projects, presentations, and examinations. The development of students is also analysed by their participation in classroom lectures and discussions. All the research and development projects are assessed by a jury comprising of specialists in the area of design, management and technology. Such critical appreciations not only judge their performance,

but also enrich the student's perspective in relevant areas.

The Faculty

The faculty is the core competence of NIIFT. The members are professionally qualified having rich industry experience. Their pragmatic approach coupled with industry experience has over the years shaped successful careers of our students. The faculty constantly upgrades their knowledge through regular interaction with the industry and also undertakes research and consultancy projects.

The regular learning is further supplemented with series of lectures from renowned academician and industry professionals.

The Alumni

NIIFT is proud of its illustrious alumni occupying significant positions in leading national and international organisations, The alumni have supplemented the growth of this industry by contributing their expertise at the core levels. Over the years, they have shouldered the responsibility

as Entrepreneurs, Quality Controllers, Designers, Merchandisers, Fashion Forecasters, Production Managers and Coordinators, Sourcing and Buying Agents faculty with NIIFT and other institutes. The institute regularly corresponds with the Alumni Association and invites the members for regular interaction with the students.

Research & Development Programs for Industry

Apart from training future designers and technocrats, NIIFT is also guiding the industry by offering its professional expertise in planning, designing, research and development. It associates itself with esteemed organizations for solicitation and planning of future proposals. It has also made a place for itself as an agency for providing the industry with international fashion forecasts and study of trends. NIIFT also offers facility of providing custom made corporate training Programs.

B.Sc. Fashion Design

Duration : 3 Years

Centres: Mohali & Ludhiana

The apparel industry in India has substantially diversified on the basis of fashion, climate, region, culture and fiscal factors. Indian textile is witnessing great growth and development in the industrial sector in India as well as abroad. The significance of the apparel industry is entirely based on the contribution of the industrial productivity and employment.

NIIFT has emerged as a premier institute of Northern India in the field of Fashion & Apparel Design, Management and Garment Manufacturing Technology. Fashion education has a special contribution to make in the process of transition from tradition to modernity. Today, "Fashion Design" has captured the imagination of campuses and the households.

The Fashion Design Program at NIIFT has earned a well deserved reputation for itself in the industry circles. The garment industry thrives on innovation and foresight, and is constantly on the lookout for professionals who can combine creative ideas with the right technical skills. The course meets the need and is perpetually designed to accord full rein to the imaginative flair of the students, harmonized with practically desired systems at the industrial

level.

The knowledge imparted through the course is based on "learning by doing". The synergy in the course is obtained through textile and practical conceptualization. Inputs from the leading professionals from time to time enable the students to keep abreast with the current trends in the garment industry. The students are also exposed to regular visits to industry, fairs, seminars, fashion shows etc. Besides, the students are exposed to actual work environment through field projects like craft survey & its documentation and the Industry Internship Programs.

NIIFT is the only institute in Punjab and this region, which can proudly claim to have built a strong industry interface. It is in the true sense playing a catalytic role in transforming the outlook of fashion industry, fully conscious of the core strengths around which the Indian fashion industry is evolving. Various initiatives by NIIFT and its graduates have addressed concerns pertaining to design, product development, techniques and skill up gradation.

THE CURRICULUM

The entire emphasis is on creation of promising designers which is made possible by extensive exposure to latest machinery and equipment, visual resources and 'on the job' experience during the

industrial training. Thus the curriculum is designed such that there is a gradual but thorough development of a student into a professional designer.

PHASE 1: DEVELOPMENT OF BASIC SKILLS

During this phase the students are imparted basic skills such as Elements of Fashion, Elements of Textiles, Elements of Design, Sketching, Art Appreciation, History of Costumes, Pattern Making, Draping, Garment Construction, Textile Science, Yarn Craft, Study of Crafts & Introduction to Photography.

PHASE 2: DEVELOPMENT OF DESIGN SKILLS

During this phase the aesthetic as well as the creative skills are cultivated and the students are trained in the disciplines like; Basic Design, Fashion Illustration, Surface Developments, Art portfolio, Computer Applications, Design Conceptualization and Manufacturing process.

PHASE 3: DEVELOPMENT OF PROFESSIONAL SKILLS

After acquiring the basic skills, their proficiency is enhanced through subjects like Advanced Pattern Making, Grading, Construction, Design Development, Introduction to Management Concepts, Apparel and Visual Merchandising and Computer Aided Design, Range Development,

Fashion Forecasting, Design Collection. The curriculum also imbibes some innate features for the development of skills of the students.

DESIGN AND CREATIVITY

This is stressed upon throughout the student's training period. The students dwell in an atmosphere of inspiration, aesthetics and liberty of concepts. The students are motivated to work on story lines based on international trends and forecasts, yet encouraged to keep their roots in traditional Indian textiles and techniques.

FIELD VISITS

Students are taken for visits to industrial establishments and fairs so as to broaden their perspectives of the garment industry.

TERM GARMENT

It is a simulation of the commercial client demand in which students undertake practical exercise, to evaluate their design creativity, pattern making skills and quality of construction. Thus they understand the qualitative and logistics of the entire process of Garment manufacturing. The current topics related to the garment industry in the form of classroom seminars and presentations, keep them abreast with the latest developments and techniques followed in the industry.

Important Feature of the Curriculum

CRAFT DOCUMENTATION

Craft documentation forms an important part of the curriculum of Fashion Design course in the second

semester. Here the students undertake extensive excursion to study and document the rich & diverse aesthetic heritage of our country. The survey enables the students to interact with the craftsmen in their habitats and get the first hand knowledge of the art and crafts.

INDUSTRY INTERNSHIP

After the fourth semester the students are required to undertake a six weeks industry internship Program wherein they work either in the industry or under a well known designer. The main objective of this exercise is to enable the students to get an insight into the real working environment.

GRADUATING DESIGN COLLECTION SHOW (ANUKAMA)

The final collection is a virtual reality of the hard work and toil of the students of the final semester. The collections encapsulate the technical accomplishments, the creative flair and philosophy behind the concepts and designs. The process of making the collection starts from inspirations to conceptualization followed by sourcing, developing the prototype, sewing and accessorizing of the final ensemble. The final presentations carry with them the inspirations and impulses of the budding designers. The collections are adjudged by a jury comprising of designers and industry experts.

CAREER OPPORTUNITIES

The course prepares the students to pursue careers as Designers, Design Managers, Fashion Stylists, Creative Pattern Makers, Illustrators, Costume Designers, Fashion Merchandisers, Fashion Forecasters, Teachers and Entrepreneurs to name a few.

B.Sc. Fashion Design Knits

Duration : 3 Years

Centres: Ludhiana

The Fashion Design Knits (FDK) programme is a specialized programme which caters to the requirements of Knitwear Industry. The FDK programme at NIIFT is structured with expertise and identity close to this very exclusive area of Knitwear fashion products. This course is primarily intended for Designers, merchandisers, buyers, technologists and quality controllers of knitted products in order to increase their awareness about the knitting process, make-up skills, knitted structures and quality issues. The course will expand/take place on the topic areas, such as knitting machinery, yarn requirements for knitwear, yarn count and gauge, Knitwear apparel and products, garment style and production, knitted structures, quality aspects for knitwear, knitted structure analysis, layout explanation, fibers used in knitwear and their characteristics, knitwear construction and knitwear finishing. The recognition of knitted structures and their analysis, pattern generation, shaping and fashioning will be covered along with the production of cut and sew products. The multi disciplinary approach including inputs ranging from skill development, conceptualization, technical understanding and management skills. Students

apply their classroom learning to industry-simulated environments, and undertake industry internship for flat and circular knitting to hone their skills. The Programme culminates with the design collection at the end of the 6th semester.

THE CURRICULUM

This course has been designed to give a wide introduction to Knitwear manufacturing from fibres to fabrics. The entire emphasis is on creation of promising designers which is made possible by extensive exposure to latest machinery and equipment, visual resources and 'on the job' experience during the industrial training. Thus the curriculum has been designed to create well-rounded professionals equipped to handle the challenges of circular and flat-bed knitting in the domestic and export fields. They can pursue careers as Designers, Merchandisers, Production Managers and Quality controller etc

PHASE 1: DEVELOPMENT OF BASIC SKILLS

For a stable founding on issues relating to the industry, the students acquire the design skills such as Elements of Design, Elements of Fashion and Fashion Art etc. Emphasis is also on Computer Application, Traditional Textiles, Surface Technique, Basic Weaving & Knitting Skills, Pattern Making & Construction, and History of Costumes.

PHASE 2: DEVELOPMENT OF DESIGN SKILLS

The thrust is to give specialized inputs in all the essential subjects such as Design Process, Thematic Approach to Design, Draping, Fashion Art & Illustration, Pattern Making and Garment Construction, Computerized & Circular Knitting Techniques, Product Realization and Marketing & Merchandising Production & Control etc.

PHASE 3: DEVELOPMENT OF PROFESSIONAL SKILLS

In this semester, students will undertake a number of elective subjects such as buying & Merchandising Quality assurance in Knits, Processing Techniques etc. to find tune their understanding of the industry and also an independent research based project. In the final semester, students will undertake a Graduation project with an industrial client, export house, or a designer. During this period the students will be required to work on the brief given by the sponsor. The programme will culminate with a Design Collection showcased on the ramp.

DESIGN AND CREATIVITY

This is stressed upon throughout the student's training period. The students dwell in an atmosphere of inspiration, aesthetics and liberty of concepts. The students are motivated to work

on story lines based on international trends and forecasts, yet encouraged to keep their roots in traditional Indian textiles and techniques.

B.Sc. Textile Design

Duration : 3 Years

Centres : Mohali

India has a strong textile manufacturing base or organized mill sector. It is one of India's core segments, and is gaining fervor both in the export and the domestic market. The TD Program is geared to cater to the growing demand of TEXTILE PROFESSIONALS for innovative design solutions, creative woven structures, blends and colours. It also aims at nurturing and developing the 'DESIGN' aptitude of the students. Through discovering the vast range of applications for textiles, the students are encouraged to realize a target market for their designs and a strong emphasis is placed on the research, development of ideas and experimentation. Craft Documentation, Live Projects and Internship with various design companies induce professionalism and employability. The balance that is thus created between innovations and creativity, encourages the students to graduate with an awareness of not only the opportunities but also the challenges ahead, whether they undertake further study or begin their own textile practice.

THE CURRICULUM

The main focus of the course is on Textiles in terms of fashion, interiors and related fields enabling a cross-fertilization of ideas and possible collaboration by knits, weaves, CAD and CAM. Planning skills are developed through analysis of fashion/textile trends, along with study of marketing and global market analysis. The future textile designers thus learn to appreciate the multi-disciplinary nature of design and develop season & market oriented collections.

PHASE 1: DEVELOPMENT OF BASIC SKILLS

In the first year, the students are introduced to the Fundamentals of Design which develop their sense of color, light, shape, texture and form. This phase also includes study and exploration of the properties of fiber, yarns, dyes, woven, knitted, printed and embroidered textiles.

PHASE 2: DEVELOPMENT OF DESIGN SKILLS

In this phase, main emphasis is on concept development in dialogue with material and

technique. In-depth study and exploration of textiles, knits, prints & embroideries are an integral part of Textile Design. Knowledge of computers as a creative design tool for design students is also stressed upon.

PHASE 3: DEVELOPMENT OF PROFESSIONAL SKILLS

During this phase the students are provided with tutorial guidance, they negotiate a personal Program of study and are responsible for the management of the project from initial concept to final stage. The course encompasses the major areas of specialization within the textile field, including woven and constructed textile, printed textile, as well as knitted and embroidered textiles.

PROJECT WORK

Students are encouraged to undertake client based projects with various NGOs, artisans and clusters. This equips students with the knowledge and practical design experience to channelize their creative and individual skills into self-initiated and commercial applications.

FIELD VISITS

Field visits to Industrial establishments and fairs are a regular feature which enables the students to understand and broaden their knowledge of textiles besides learning the actual and latest working of the textile industry.

WORKSHOPS

Industrial experts are regularly invited to give special inputs on various areas of textiles from fiber to fabric to design in the form of workshops and lectures and get first hand information on latest developments on design and technology.

PARTICIPATION IN INDIA INTERNATIONAL TRADE FAIR (IITF)

The Institute is invited every year to put up a display representing NIIFT at IITF (Punjab Pavilion) The concept is developed in co-ordination with the theme for the current year.

Important Features of the Curriculum

CRAFT DOCUMENTATION

Craft documentation forms an important part of the curriculum of Textile Design course in the second semester. Here the students undertake extensive excursion to study and document the

rich and diverse aesthetic heritage of our country. The survey enables the students to interact with the craftsmen in their habitats and get the first hand knowledge of the art and craft.

INDUSTRY INTERNSHIP

After the fourth semester the students undertake a six weeks industry internship Program wherein they work either in the industry or under a textile designer which enable the students to get an insight into the real working environment.

GRADUATING DESIGN COLLECTION EXHIBITION (SUVYAN)

The mainstay of the Textile Design Program is its primary link with the industry through the diploma project of the final semester students. These students work with an industrial client for a period of nearly 5 months. This results in the development of individual collections and exhibition of Design work in a gallery setting.

CAREER OPPORTUNITIES

The students can pursue careers in Textile Mills, Export Houses, Home Textile Sector, Handloom Sector, Power Loom sector, with Textile Fashion Designers, Design Studios, or one can operate as Freelance Designer, Entrepreneurs etc.

30 NIIFT Consultancy Cell

NIIFT, the premier fashion institute of northern region of India also provides consultancy in the areas of:

- Fashion Designing
- Textile Design
- Knitwear Design
- Product Development
- Garment & Apparel Manufacturing
- Fashion Retail Sector

NIIFT is undertaking projects and offering its professional expertise in the above mentioned areas. NIIFT being fully equipped with the latest technology, methodology, expertise and resources in the field of Fashion has also been associated with the Industry in providing them with latest International fashion forecasts & study of trends. Consultancy Projects Include:

- Uniform & Apparel Design
- Handicraft and Artisan's Upliftment
- Training Programs in Fashion Technology
- Preparation of reports
- Fashion News
- Entrepreneurship Development Programs

The prestigious Virasat-E-Khalsa project of Punjab Government was dedicated to the nation and the project to design the uniform for all categories of its staff was executed by NIIFT.

Earlier a project to design the winter jackets for Punjab Police was also handled by NIIFT. Project for Khadi and village Industries Commission for the design and product development of Women's suits, tops, kurtis in Khadi was undertaken by NIIFT. Also the development of "Khes" material, innovations in the motif and design development of the traditional "Panja Durries" was another feature of the above mentioned Khadi project.

Other than this consultancy services for preparing project reports have been rendered. A recent report was prepared by NIIFT for Punjab Small Industries & Export Corporation Limited (PSIEC) related to setting up of a Mega-Cluster for Phulkari.

Another important area where NIIFT provides consultancy is execution of Fashion shows. The in-house production team which consist of models, choreographers, comperes, back stagers, technicians, make-up artists, wardrobe

managers and designers have in the past produced shows for many prestigious and important organizations like the Textile Association of India, CITCO, Rotary International and Silkmark Organization of India to name a few.

State Initiative Design Center

With a view to strengthen the handicrafts segment of Punjab, NIIFT (Mohali) has been granted a State Initiative Design Center (SIDC) by the Ministry of Textiles, Govt of India. This institution's location at Mohali helps itself associate intimately with the crafts of Punjab. There are following schemes and strategies under the SIDC scheme.

Training & upliftment of the artisans

The artisans are the main pillar of any craft and regular training and upliftment of these people is one of the main areas for the popularity of the craft. NIIFT undertakes training these artisans in the field of Design and Technology.

Creation & Innovation in existing design

Right concern and well directed efforts are required for innovation and creation of new design Ideas, Contemporary designs lead to more demand of the craft. NIIFT can provide new designs to the craft persons which help them develop a newer range of products for the market.

Technology & technique upgradation

Technology and technique upgradation ensure that the artisans are at par with the latest techniques in

the particular area. Knowledge of latest technology ensures faster production and financial return to the artisan. NIIFT, with its state of the art facilities, designs various short terms

courses for the craftsman for refreshing and honing their skills in their respective areas. NIIFT also educates them about packaging and marketing of their products.

Facilities at NIIFT

GIRLS' HOSTEL

NIIFT provides excellent residential accommodation to outstation girl students of the institute at its own hostel, built and located in the immediate vicinity of the institute campus at Mohali. The Hostel is well equipped with modern amenities to provide for a comfortable accommodation. NIIFT also provides mess service to the residential students on a no profit and no loss basis.

At present, NIIFT doesn't have any Hostel for the boys, but the efforts are on to provide boarding and lodging facilities to the boys in the near future.

BUS SERVICE

NIIFT also provides bus service to the students, to and from the institute on nominal monthly charges to ease the commuting hassles for the students.

CANTEEN FACILITY

The campus canteen provides hygienic food at affordable rates. A students committee represents students opinion for the selection with the mess contractor.

Campus Placement

A Placement Cell has been set up with the members drawn from the faculty and students for the purpose of facilitating campus placements. NIIFT is proud to claim that till date it has been able to provide almost 100% placements to its passing out students. Students have been placed in leading National and International Companies occupying challenging positions. Few among those are RMX joss, Cascade Apparels, Vardhman Group, Orient Crafts, Matrix Clothing, Rupayan, Nahar Group, Richa & Co, Sewa Exports, Cheer Sagar, Kapsons, Madame, Wingsfield, Graffiti, Ravels, GIVO International, B.L. Creations, Numero Uno etc. have also been associated with NIIFT. The Students have also been promoted by leading Designers. Some of the students have also started their private labels and are successfully running their own enterprises and small businesses.

Extra Curricular Activities in NIIFT Campus

Alexander Astin opines that, "student involvement in college activity positively affects student learning and development.

NIIFT has a broad educational mission; to develop the "whole student". On college campus, extracurricular involvement is a key tool in their personal development.

Students become involved in extracurricular activities not only for recreational, social, and enjoyment purposes, but most importantly, to gain and improve skills which are beyond the curriculum. A wide and diversified range of extracurricular activities provides a setting to become involved and to interact with other students, thus leading to increase in learning and enhanced development.

As the development of the all-round individual is a principal goal of extracurricular activities on NIIFT campuses, by working together with other individuals, students learn to negotiate, communicate, manage conflict, and lead others, taking part in these out-of-the-classroom activities help students to understand the importance of

critical thinking skills, time management, academic and intellectual competence. Involvement in activities helps students mature socially by providing a setting for student interaction, relationship formation, and discussion. Working outside of the classroom with diverse groups of individuals allows the students to gain more self-confidence, autonomy and appreciation for others' differences and similarities.

Students also develop skills specific to their career path and imperative for future job success. Students have opportunities to improve their leadership and interpersonal skills while also increasing their self-confidence. Extracurricular involvement allows better understanding of their own abilities, talents, and career goals. Future employers seek individuals with these increased skill levels, making these involved students more viable in the job market. Specifically, participation in extracurricular activities and leadership roles in these activities are positively linked to attainment of one's first job and to managerial potential.

Students of NIIFT have access to a variety of extra-curricular activities which enhance their educational experience and further it

towards the wholesome development. Major activities undertaken at the NIIFT campus are as follow :

- Quiz
- Volleyball Tournament (Inter and Intra college)
- Table Tennis
- Cricket Tournament
- Annual fest
- Festival Celebration

NIIFT promises to take these activities to next level for upcoming year.

You are requested to implement the above reservation policy in all the Professional/Engineering Colleges/Polytechnic Institutions/Industrial Training Institutes and Technical Institutes in the State.

**Secretary,
Technical Education**

Department of Technical Education and Industrial Training guidelines:

A. Sports Persons:

Joint Secretary Sports apprised that the Sports Department had already adopted a comprehensive policy regarding gradation of sports certificates. He clarified that the objective was to give preference to "A" category over "B" category, even if the marks obtained by the "A" category sportsmen was lower than those of "B" category sportsmen. He stated that if this were not done, the very objective of gradation would be defeated, and international level sportspersons would be clubbed with those who had represented only at the district level. He also clarified that even within the same category of sports certificates, preference had to be given to winners and runners up etc., and the policy instructions were comprehensive code in this regard. Only when the tie was not broken on the basis of these comprehensive sports gradation guidelines, the University/colleges take recourse to the marks/ rank in the entrance exam to break the tie.

The policy of the Sports Department which already has the approval of the Government, was found to be fair just and reasonable and it was, accordingly, decided that action may be taken exactly in accordance with the **Punjab Government, Department of Sports and Youth Services, letter No.47/26/83-5Edu/2036, dated 10th December, 1997**. It was also decided that a copy of these instructions may be appended to and circulated along with the minutes of this meeting.

B. Disabled Persons:

The Principal Secretary Social Security explained that unlike in case sportspersons, no preferential treatment could be given to a person with higher percentage disability. She explained that a person was certified to be handicapped, provided his disability was 40% or more. As such, she proposed that all the handicapped persons having disability of 40% or more, in the respective sub- category (i.e. blind, deaf and dumb etc.), should be regarded as at par and their inter se gradation should be effected in accordance with the rank in the entrance examination. The proposal of the Principal Secretary Social Security was agreed and approved unanimously.

C. Children/Widows of Defence Personnel/Ex-servicemen etc.:

This matter was discussed threadbare. It was felt that the children, wards and winners of gallantry awards should be given over-riding preference over children/widows of the ordinary Defence Personnel/Ex-Servicemen. It was also felt that the children/wards of the posthumous awardees of the particular award should get precedence over other awardees of the same category.

It was, accordingly, decided that in this category of reservation of 2%, the following would be the priority, each higher sub-category being preferred to the exclusion of the lower ones:-

(1) Gallantry awards winners in the following order: Param Vir Chakra (PVC), Ashok Chakra (AC), Sarvottam Yudh Seva Medal (SYSM), Maha Vir Chakra (MVC), Kirti Chakra (KC), Uttam Yudh Seva Medal (UYSM), Vir Chakra (VrC), Shaurya Chakra (SC), Yudh Seva Medal (YSM), Sena/ Nau Sena/ Vayu Sena Medal (gallantry only), Mention-in-Despatches.

(2) For the same medal/awards the children/wards of the posthumous awardees, would get preference as compared to those of other awardees of the same category.

(3) Children/wards of defence personnel killed or disabled to the extent of 50% or more “**in action**”, including cases of Home Guards Guards

(4) Thereafter, children/widows of Serving Defence Personnel/Ex-Servicemen would be considered. However, the children/widows of personnel getting distinguished service awards such as PVSM, AVSM, VSM and Sena Medal/ Nau Sena medal and Vayu Sena Medal (distinguished service) would get over-riding priority in this sub-category, in the said order. Here also, the children/wards of the posthumous awardees would get preference over the children/wards of the normal awardees of the same category.

(5) If there is more than one claimant within the same category/sub category as enumerated above, the tie is then to be broken with the assistance of the rank/marks in the entrance test.

In any case, it was decided that the higher sub-categories would be preferred, in exclusion to the lower categories as arranged above even when the marks obtained in the entrance test of a candidate of the former category is less than those obtained by a candidate of the lower category. The above proposal was also, accordingly, approved as such.

D. Children/Widows of Police/Para Military Forces:

This item was discussed threadbare. It was felt that the winners of President's Medal for Gallantry and the Police medal for Gallantry by the President need to be given over-riding preference. Similarly, those killed or disabled in action should be given such preference.

Accordingly, the special categorization/precedence in this category was adopted as under: Children/wards of officers and jawans of Punjab Police, PAP and para-military forces who are:

a (1) Winners of President's Medal for Gallantry, including posthumous awardees.

(2) Winners of the Police Medal for Gallantry, conferred by, the President of India, including posthumous awardees.

(3) Killed or disabled to the extent of 50% or more “in action”, including cases of Home Guards.

b (1) Children and wards for serving para-military personnel and ex-Para-military personnel.

(2) Remaining categories, already mentioned in the policy, if any

In any case, it was decided that the higher sub-categories would be preferred, in exclusion to the lower categories as arranged above even when the marks obtained in the entrance test of a candidate of the former category is less than those obtained by a candidate of the lower category. The above proposal was also, accordingly, approved as such.

It was clarified that the children/wards of the serving or retired Punjab Police Personnel are not entitled to any reservation under this category. It was also clarified that cases of S.P.O.s, killed and disabled in action, would not be considered in this category but rather in the next following category relating to terrorist-affected/riot-affected families.

E. Riot-affected/ terrorist-affected families:

The matter was discussed threadbare. It was felt that the cases where the bread-winners of a family had died / been disabled to an extent of 100%, should get over-riding precedence. As such, the following categorization was decided to be adopted. Children/wards of persons:

(1) persons killed in 1984 riots/killed as a result of terrorist violence or killed by the security forces acting in aid of civil authority, including innocent civilians and Army Deserters as well as those of these categories who have been disabled physically to the extent of 100%, in accordance with the policy already in place.

(2) Persons of the above categories who were disabled to an extent less than 100%.

(3) All other categories mentioned in the existing policy under this head.

In any case, the higher sub-categories would be preferred, in exclusion to the lower categories as arranged above even when the marks obtained in the entrance test of a candidate of the former category is less than those obtained by a candidate of the lower category. The above proposal was also, accordingly, approved as such.

F. Children/Grand Children of Freedom Fighters:

The Principal Secretary Freedom Fighters stated that all Freedom Fighters, "Tamra Patra" holders would be regarded at par.)t was accordingly decided that relative gradation within the category may be decided in accordance with the rank/marks in the Entrance Test.

Any other item with the permission of the Chair:

(1) The Director Colleges, P.T.U. requested that it would be appropriate if a dead-line was adopted for the date of issue of the certificate in respect of these categories, since the candidates continue to submit certificates right up to the very day of the counseling. It was, accordingly, decided that **only** certificates issued up to the last date of submission of applications forms for the CET to PTU **and** annexed with the application forms would be considered. This decision should be given wide publicity and also included in the prospectus-cum- information brochure to be issued by the PTU.

(2) The Director, Colleges, PTU suggested that it would be appropriate that the relative and inter se gradation of the candidates in respect of categories discussed above should be effected at the level of the state headquarter. This proposal was approved and it was also decided that this would be done by a Committee headed by the Secretary Technical Education, having the following other members:

- a. Director, Technical Education (DTE), Punjab (Convenor);
- b. Director/ Additional Secretary/ Joint Secretary of the concerned Department;
- c. Representative of the PTU.

The P.T.U. shall send the particulars of these categories to the DTE after the last date of the receipt of application and also send the marks obtained/ rank obtained by such candidates after declaration of the result. The above committee, after verification and personal counseling, shall send the necessary order of gradation, category-wise to PTU, which shall effect the subsequent counseling / admission in accordance with this order.

The meeting ended with a vote of thanks to the chair.Sd/-

4. For certification, Sport Department, Punjab only consider the cases who fulfill the following requisites

1. For gradation Sports Department, Punjab will only consider the claim of domicile of Punjab who actually participated in the competitions as nominee of Punjab Team. This will leave out the Sports residents of other States, Punjab domicile or even of Punjab and Chandigarh who do not represent Punjab in any competition as Punjab nominee
2. Claim of the resident of Union Territory of Chandigarh will only be entertained for Counter signature of certificate issued by the Department of Sports, Union Territory of Chandigarh for National School Games only provided, parents belong to the Punjab State Service and are posted at Chandigarh during the period or which gradation is being claimed for their wards. For Junior and Senior National Championships, they must play as nominee of the State of Punjab as is the case in para 1 above.
3. The certificates issued by the Sports Associations must be submitted for gradation to the concerned District Sports officer within 9 months from the date of issue of certificate. In the absence of this, any delay occurred will be the responsibility of the applicant. The application should be submitted as per the direction / requirements spelled out by the Department of Sports. Copy of the same can be had from the Distt. Sports fficer's Office.
4. The application for gradation received from the District Sports Officer's Office will be processed at the Head quarter for Final checking of the performance participation record, if necessary interviews and field tests will be conducted to see the genuineness of the performance and participation level of the applicant.
5. The Directorate of Sports will not be responsible for any delay which occurs due to late submission of application or in furnishing incomplete

requisite information / reply to queries by the Department from the individual concerned or the Sports Associations. The total processing time at District and the Headquarter, Chandigarh shall be 60 days in cases where all required formalities are completed.

6. In the matter of rating inter -se, the preference in the same grade will be given in the following descending order

(i) Winner

(ii) Runner Up

(iii) Third position holder

(iv) Number of participations

Regarding Senior and Junior tournaments/ Championships senior shall have precedence over Junior in the same performance i.e. for example Gold Medalist in Senior category shall have precedence over Gold Medalist in Junior Category and Gold medalist in Junior category over silver medalist in Senior category and so on which implies that participation in grade A will be considered last of medalists of B category in the same orders of medalists, if after considering the performance criterias mentioned above, the candidate having higher marks obtained in the examination which is considered for admission will decide the seniority from highest to lowest marks obtained by the candidate.

7. Participation in, the lower grade as a playing member in team event and position holder in individual be a prerequisite for acceptability in the higher grade. i.e. for participation National, one has to be a member of the State in team games and position holder in individual games.

8. Performance achieved in individual event of any discipline and in team games, will be consolidated only if it has been achieved through a competition with 7 or more competitors (in individual event) and 15 or more units in team games.

9. Certificates issued by the concerned Sports body are properly signed in ink by the nominee of President and Secretary himself of State Unit along with signature of a Gazetted Officer not below than rank of Deputy Director Sports, Punjab for State Championship in whose Division the State Championship is conducted, and certificates of district championship must carry signatures of president and Secretary of District Association along with signature of Distt. Sports Officer of that District.

10. Only those certificates will be considered for gradation which are declared in the affidavit submitted to the Department with the application for gradation.

11. Director Sports, Punjab, who will issue the certificate will also have the authority to cancel certificate at any time, if it is found to have been issued on false information or record. Director Sports will also have the authority to correct any mistakes done by the office giving opportunity to the affected Sports men /women .
